

To help you maintain written records of incident details for analysis and internal auditing purposes, CHEMTREC® offers Incident Report Distribution for carriers. With this service, you'll receive fully detailed reports of all incidents you've been involved in as a carrier. Copies of these reports will also be emailed to anyone you designate as a recipient.

How does this benefit you?

- ◆ Easily fulfill reporting requirements (e.g., DOT 5800.1)
- ◆ Quickly notify clients of possible delays in shipment
- ◆ Details of incidents are reported to you in a consistent format
- ◆ Identify training opportunities to support continuous improvement
