

You've Got Our Number, We've Got Your Back.

ESTABLISHED BY THE INDUSTRY, FOR THE INDUSTRY

A service of the American Chemistry Council, CHEMTREC® was established in 1971 as a public service hotline for emergency responders to obtain information and assistance for emergency incidents involving chemicals, hazardous materials and dangerous goods. Today, CHEMTREC is the world's premier call center for emergency hazmat response coordination.

THE RIGHT INFORMATION AT THE RIGHT TIME

Linked to the largest network of chemical and hazardous material experts in the world, CHEMTREC is a cost-effective method for shippers of hazardous materials to offer a world-class public safety service while complying with regulatory requirements.
