

REGULATORY INFORMATION SOLUTION

Stay ahead of new and emerging regulations

It's challenging to keep up with constantly changing regulations in today's world. CHEMTREC®'s newest service, REGTREC™, highlights the major chemical regulatory requirements of top countries worldwide. Whether you are looking to expand your business internationally or need to monitor the impact of ever-changing regulations, REGTREC can help.

REGTREC provides a single source for up-to-date regulatory content on a broad range of topics including SDS, labels, product and substance registration, restrictions and bans, and transportation. Country specific information is monitored and reported by experienced regulatory specialists and provided to you in an easy to use format.

FEATURES & BENEFITS
