OUR MISSION
Established in 1986, TRANSCAER is a voluntary national outreach effort that focuses on assisting communities to prepare for and respond to a possible hazardous material transportation incident. TRANSCAER members consist of volunteer representatives from:
- Chemical Manufacturing
- Transportation
- Distribution
- Industry & Industry Associations
- Emergency Response
- Government

OUR PURPOSE
- Promote safe transportation and handling of hazardous materials
- Educate and assist communities near major transportation routes about hazardous materials
- Aid community emergency response planning for hazardous material transportation incidents

OUR STAKEHOLDERS
- Hazmat Shippers
- Transporters
- Regulators
- General Public
- Emergency Responders
- Community Emergency Planners

OUR PARTNERS
- American Chemistry Council
- Association of American Railroads
- The Chemical Institute
- American Fuels & Petrochemical Manufacturers
- American Petroleum Institute
- RFA - Renewable Fuels Association
- CLNG - Center for Liquefied Natural Gas
- ISPI - Industrial Self-Insurers' Association
- The Fertilizer Institute

We offer...
Planning Assistance
Local community assistance to better understand and plan for hazmat transportation emergencies

Training
Classroom and hands-on training

Drills and Exercises
To improve the response and handling of hazmat emergencies

Reference and Training Materials
Technical information about chemicals and transportation equipment for both training and emergency response

Networking Opportunities
Sharing best practices, new programs and resources at National Level Conferences and Workshops

Resources
Regional & State Coordinators work to implement the TRANSCAER mission and help connect local responders with the resources they need
