TAILORED BUSINESS SOLUTIONS

Looking to train your workforce? Contact us for cost effective, tailored training option.

WE OFFER:

- **SUBSCRIPTION OPTIONS:** Ideal for medium to large teams with ongoing recertification needs - stay compliant and never miss a training deadline.
- **LICENSING OPTIONS:** Flexible solutions for integrating course content into your own LMS.
- **BULK PRICING:** Purchase courses in bulk at reduced prices. Easily assign courses, track progress, and access certificates.
- **CUSTOM COURSES:** Tailored training for your business needs.
- **LIVE TRAINING:** A CHEMTREC trainer will provide live training to your team via online webinar or on-site.

"The pace of change in hazardous materials manufacturing, shipping, and crisis management is measured in hours and days. If you aren't learning and training at the same pace, you are falling behind. It is through diligent training and constant adaptation that we safeguard lives, protect the environment, and continue to be good stewards in the seamless flow of critical materials in our increasingly interconnected world."

- Andrew LaVanway, Chief Executive, CHEMTREC
